

Player Guidelines

Please go over these guidelines with your children so they know what to expect when they come to training.

- Parents are to drop off their children at the designated drop off point as per the PRNA video.
- If you feel your child is unable to attend training by themselves (if they are young or new to the club) please contact Panthers to arrange attendance at training. Your details will have to be recorded on the team's attendance register, and you must abide by social distancing rules of 1.5m at all times. Siblings will not be able to attend.
- Please prepare your child to answer the following questions:
 - In the last 14 days have you -
 - Have you had any Covid 19 symptoms?
 - Have you been in contact with any confirmed/suspected Covid 19 cases?
 - Have you travelled internationally or interstate?
- It is important that players do not attend training if they are unwell, or show symptoms of cold, flu or Covid 19, or if they have been in contact with someone confirmed to have Covid 19.
- Players are to meet their Coach/Manager at the meeting point, mark their name off on the attendance sheet and sanitise their hands (coach will provide sanitiser). They will then be escorted by their coach/manager to their court. It is important players are not late or they will miss their team walking to their court.
- Players should be prepared when they come to training. There will be no changing in the toilets at the courts, and each player should bring 2 bottles of water and a towel. Players will be unable to refill their water bottle at the bubblers or share with another person.
- At the completion of training, everyone is required to sanitise hands, and then the coach/manager is to escort team to pick up point, where the parents are to drive by to collect children, as per the video. Please be prompt as traffic must clear for the arrival of the next training sessions.
